# A National Online Conversation on Indigenous Laws

## FIRST NATIONS POLICING

UPDATE 2022

In this session, Public Safety Canada officials will provide an overview related to the Government of Canada's engagement on the co-development of federal First Nations police services legislation.

### THE DISCUSSION WILL PROVIDE

- Updates on what has been heard so far in this ongoing engagement process
- Insight on how participants can provide their recommendations on First Nation policing
- Relevant background information on First Nations police services and questions that will be raised during the engagement process to help foster discussion

**CHRIS MORAN**

**Assistant Deputy Minister**

**Indigenous Policing Task Force  
Public Safety Canada**

**ANDREW BEYNON**
